

- Infrared technology
- Detection angle: 100°
- Detection range: 5-7 meters
- EasyFix-compatible
- Compatible with ETX-XX20 (PLUS) touch monitors

EasyFix proximity sensor

IR100

- Increase the ease of use of an ETX-XX20 touch monitor by automatically turning the screen on and off based on room presence
- Because the ETX-XX20 automatically switches between sleep and wake mode, this solution contributes to your organisation's environmental policy due to the significant reduction in power consumption
- The EasyFix proximity sensor is fixed to the bezel of a compatible Legamaster touch monitor. This prevents the sensor from being inadvertently taken away or from getting lost

Art.No. **7-870940**

GTIN **8713797094580**

Specifications

Colour	Black
Operating range	7.00 m
Operating angle	100 °
Connector	USB-A
Sensor type	Infrared

Logistics

GTIN	8713797094580
Article number	7-870940
